teed and the men were satisfied. Faithful employees are taken care of as far as possible. Hospital advantages PEN PICTURE FROM A MASTERLY re furnished at low expense to its inmates. In short the employees feel that while poor coaches are often run and the con-venience of traveling is not always a main Which Graphically Portrays --- Prescott desideratum, their own interests receive careful attention. They, therefore cheerand Surroundings---Its Beauties fully serve their corporation friend.

Prescott Courier. S. C. Mott one our most deserving our good Bishop, may be said to have begun the church's work in Prescott, the miners, arrived here yesterday from Peck the district. He has 26 men working in the readers of the Standard of the Cross have learned something of this part of the world; but I have been so struck with rince mine and 8 more at the Tuscumbia The men in the mine are sinking, drifting and stoping. The deepest workings are 200 feet; ore mills from 50 to 300 ounces of silver. Between 200 and 300 pounds of siver, in bars, were brought its situation and surroundings, that I am induced to believe a short letter upon the subject may not prove uninteresting to your patrons. The town is reached by the Arizona Central Railway, which connects with the A. & P. road at Pres-

Mr. Mott tells us that Rowe Bros. are timbering ther mine, which is one of the largest in the mountains. distant, almost due north. The trip through this valley is extremely interesttrusted men at United Verde, tells us that the work of constructing a tramway ing and attractive, from a scenic point of that the work of constructing a tramway view throughout. About three miles from from the mines and smelters to the timthe town, the railway skirts the eastern edge of the valley. To the west at some considerable distance the mountains rise in precipitious cliffs of granite, with jagged and irregular sky line, as though pound T rails will be used. A small engine will likely be used on the tram-way. The mines are yielding real well. they have been smitten into fragments with the hammer of Thor, and descended by

ong nor severe. The sun shines brightly nore than three hundred days in the ear, and inhaling the pure air perfumed with the resinous exhalations of the pines restoration from the dead to the afflicted consumptive, and a delight to the A beautiful high toned girl of 20-let us call her Alice-was telling me the other day of a meddlesome, gossipy ealthy and strong. It is not necessary o say that the health of the place is exellent, for how could it be otherwise with such surroundings? The altitude neighbor, Mrs. H-, who has constituted herself censor and mentor for the young girls of her acquaintance. The lady has a daughter grown who is so en-5.500 feet, being near too great to cause dangerous shock to the enfeebled sysem of the pulmenary or others invalid, nor to little not to place it beyond the tirely void of attractions as to give her mother no uneasiness. Alice has a great many beaux, and does not escape advice

Prescott is, moreover, well built, evi-lently flourishing and as busy as a bive of sees. Valuable mines of the precious metals and copper are in its vicinage, and with a mischievous twinkle in her eyes, "that no young man who had any regard for a girl would ever offer the least familiarity; that her daughter was contribute to its prosperity. The population, all Americans, is about three

22, and the young men had such perfect respect for her-not one had ever tried thousand. Three and four wagons cou-pled together, drawn by teams of fourteen, to kiss her!" Alice and I exchanged glances and r mules, laden with rich ore on their laughed.

"Pshaw!" said Alice, "Tve been kissed more times than I have fingers and toes, but of course I didn't tell her sof" We have too good an opinion of human nature to believe that in many cases a few harmless kisses will degen erate to anything disgraceful.-Kate Kauffman in Jenness-Miller Magazine.

There is a governess in an uptown family who has not found favor in the eyes of her young pupils. One of these is an 8-year-old boy, with considerable mischief and no end of daring in his nposition, and this youngster, who andles his paint brush very neatly, was recently called upon by his governess to paint her name in small white letters inside her handsome new silk umbrella. So Master John set his brushes and boxes out and squared himself to his task, "But how shall I mark it, Miss Jones?" he neked, "Shall I paint Miss Jones" or 'Miss Ellen Jones' or 'Miss E. Jones,' or what?

none, and we have to meet in the Baptist church, which is temporarily unoccupied by them, and is rented by our people. An opportunity is here presented of aiding those who are aiding themselves, and if over and help us" with their substance, they will be rewarded with assured and from her novel, "I don't care-simple 'Ellen Jones' would be best, I fancy." speedy returns for their loan to the Lord, And with this idea put into the head witnessing the extension of the dear of the mischievous boy, what could be expected except just what did happen? For when the umbrella, duly marked, was handed to Miss Jones she opened it to read in letters white and clear and unmistakable the words "Simple Ellen

Solomonville Bulletin On last Saturday Geo. B. McCarty, who had the contract to build the addition to the county jail, and drew the last of the money on that day, conceived the idea that if he could repudinte his debts due laborers who did the work on the jail building he could get away from Solomonville with a good stake. He was not long in deciding that he would thus leave the quiet town on the Gila, where he had lived for several years, but owing to an inflation for deverage, here he had lived for several years, but owing to an inflation for deverage, here he had lived for several years, but he had not been sold in the could be several years. affection for draw poker, has been unable to accumulate any lucre. But McCarty Geo, H. McSnay, was not wise in carrying out his plans, as | Cyrus M. Williams, the sequel will show.

He drew the last of his money from Mr. Tuttle, clerk of the board of supervisors, E. G. Kennedy, late Saturday afternoon, and arranged to O. H. Wheeler, start for Bowie as soon as "darkness Jaz Brash, should steal over the land" in company Frank Atkinson, with Johnny Gilmore. After supper Mc-Carty with his "roll" safely deposited in the bottom of his trousers pocket, started on foot toward Bowie, walking to the quiet suburbs of town where he mounted Wm. Arnett, a rig that had been prepared and placed W. H. Merrit, at an appointed spot. Gilmore and Me-S. A. McLaughlin, Carty started for Bowie. But they did H. Forbach

and without loss of time went before J. H. Brown, Squire Palm and swore out a warrant charging McCarty with attempting to defraud his creditors. Armed with the warrants these parties started in pursuit, coming up with McCarty and Gilmore about 12 miles out of the Bowie road, ar-rested him and brought him back. Monday he was given a preliminary exami-nation and bound over to the grand jury. Geo. Reynolds, deputy sheriff's fees. We very much doubt if McCarty can be convicted of a felony before a jury, and the probabilities are now that a large bill will be piled up against the county with.

A Adams, of Florence,

The principal place of business and office of this association is Florence, Arizona. IV

The business, pursuit, occupation, enterprise, etc., proposed to be engaged in and transacted by this corporation are to purchase mines, mining lands, water rights, appropriate water under the laws of the United States, and the Territory of Arizona, or any other state of this union; to build, construct, buy, own, maintain, operate mines, water ditches, flumes, conduits, pipe lines, gates, dams, reservoirs, sink wells, erect machinery, pumps, and operate the same, and do all other things pertaining to the management of mines and mining lands. Also to sell mines, and stocks of this company, to tuy and sell stocks of mining lands. Also to sell mines, and stocks of this company, to luy and sell stocks of other mining companies; to borrow money, pay interest on the same, to issue bonds, and secure the same by mortgage on the franchise, works, incomes and all revenues of this company, or properly belonging to this company; to lease mines and mining lands to other companies or individuals; to buy and sell personal property; to build and maintain buildings necess ry for the comfort or protection of this company's works.

The amount of capital stock of this company shall be Eighty Thousand (889,000,00) dollars, divided into eight hundred (800) shares of One Hundred (8100) dollars each. shares of One Hundred (8100) dollars each.
The entire amount of said stock shall be issued to the individuals named above as incorporators of this company as their interests may appear upon the subscription of the stock of this company; said stock issued to these individuals, fully paid up in payment of mining lands deeded to this company by them at the par value of said stock, said stock non-assessable for any purpose, except by amending these articles of association.

The time of the commencement of business of this company will be the day of the filing of these articles of incorporation in the office of the recorder of the County of Pinal, Arizona Territory, and the termination thereof shall be forty-nine (49) years thereafter, unless sooner wound up by the legal form of law in Arizona. in Arizona.

The affairs of this corporation shall be conducted in accordance with the by-laws established by a board of directors to be elected annually by the stockholders of this company, said annual election shall be held on the 1st 15 00 Tuesday of October of each year; the present board being elected as soon after the adoption of these articles of incorporation as a meeting 30 00 of such stockholders can be convened, the present board serving until the next annual election, or until their successors are qualielection, or until their successors are qual-fied. No person is eligible to be a director 12 60 of this corporation who is not a stockholder thereof, and any director ceasing to be a stockholder the office at once becomes vacant, and may be filled by the board of directors at their next meeting.

VIII

The highest amount of indebtedness this corporation may incur for any purpose shall not exceed over two thirds (§) of the capital stock at, any time of this company. IX

The private property of the stockholders of this corporation shall be exempt from, and not liable in any case for any of the debts created by this corporation.

The board of directo's of this corporation, at the time of its organization, shall consist of five [5] members, who shall have power to elect the president, vice-president, secretary and treasurer from their own number; also t-make by-laws, rules and regulation necessary to carry into execution the affairs of this company; nothing shall be inconsistent with the laws of the United States or the Territory of Acizona.
